By being interviewed by several major labels such as Violator, J Records, Death Row and Interscope, without success, the label owner and CEO Knowledge Bey, chose to start his own label L4L Records. KNOWLEDGE HAS BEEN WRITING AND PRODUCING SINCE THE AGE OF 11. HE STARTED FROM RECORDING WITH TWO TAPE PLAYERS AND A MIC, RECORDING HIS MATERIAL OVER INSTRUMENTALS. ALL THROUGH HIGH SCHOOL HE DOMINATED TALENT SHOWS AND AROUND HIS HOME TOWN OF SYRACUSE NY. IN THE 10TH GRADE, KNOWLEDGE CAME OUT WITH A CASSETTE SINGLE. AS THE YEARS MOVED ON WITH NO RECORD DEAL OR NOTICE, HE STARTED BUYING EQUIPMENT AND DUPLICATORS DOING HIS OWN GUERILLA MARKETING. HE CAME UP WITH A PLAN, HE THOUGHT HOW CAN HE MAKE A IMPACT IN SOMETHING ALREADY MOVING AND BE NOTICED? JUST LIKE A DRUG DEALER COMING ON A BLOCK WITH PRODUCT, THAT HAS THE SAME PRODUCT, HOW DO YOU GET PEOPLE TO COME TO YOU? YOU GIVE OUT SAMPLES. KNOWLEDGE STARTED GIVING OUT SAMPLES, AND THE STREETS LOVED HIM. HE NOW GIVES OUT SAMPLES AND ALBUMS FOR SALE.HE ALSO CAME OUT WITH THE THOUGHT, " HAVE THE BEST PRODUCT AND SELL IT CHEAPER SO IT CAN SELL FASTER...." Know he has the right sound and verbal gifts the World wants,

he delivers it on his own and with his own expences. Every month L4L Records drops a album, one mixtape style and one all original music, adding up to 12 albums a year. Going hard from city to city, L4L Records have managed to sell over 28,000 units ranging from \$5-\$10 sales." A label can't tell you if your hot or not, it's all up to you to make it happen for yourself", say the CEO of the label." A dream stays a dream until you wake up and make something happen for yourself". With a hungry and determined STREET TEAM, L4L has successfully made an impact on their own in the industry. Dont be surprised to see them in your town selling out of the trunks of the vehicle (LOL). The struggle never stops but the movement must maintain!!! If you dont support the independent artists', you wont get supported!!!! \*WE WONT STOP AND CANT STOP\* THE INDUSTRY CANT STOP IT IF THE STREETS WANT And LOVE IT. UNSIGNED AND ON A HARD GRIND, DOING IT ALL INDEPENDENT. A DREAM WILL STAY A DREAM UNTIL YOU WAKE UP AND MAKE IT A REALITY. THANKS TO EVERYONE WJO SUPPORTS AND COPP THE CD'S. ALL PROPS AND LOVE TO CDBAY.COM THANK YOU TO EVERYONE WHO LISTENS AND THOSE WHO CONTINUES TO FURTHER PURCHASE THE CD. SPECIAL THANKS TO THOSE WHO JUST LISTEN AND ARE INSPIRED BY THE MOVEMENT!!!!!! 2005 Ascap L4L Records Inc.
