Details: Our Daily Bread There are CD's with elaborate production. There are CD's with better vocal performances. There are CD's with more fidelity, but not one CD in the world has more of the love of God than "OUR DAILY BREAD" Written, Arranged, Performed, Produced recorded by "LUCKY". Having hands on in every application of this CD is LUCKY's way of expressing appreciation for every gift that God has bestowed upon him, and sharing it with others. "LUCKY" is currently circulating the Colorado Springs Gospel Praise Worship circuit. With his new release "Our Daily Bread". "LUCKY" is also known in Colorado Springs as the Workstation Keyboard Guru. The Yamaha Motif, The Roland Fantom X series and the Korg Triton Le and Extreme Series are among LUCKY's specialties. LUCKY is an extraordinary, multi-talented recording and performing artist that sings his own multi-layers of harmoniously smooth lead and background vocals. This one-man-band/ orchestra/ vocal ensemble/ composer/ arranger/ producer - does absolutely everything on "Harmonious Living" Lucky's music just makes you feel real good about family. Lucky's previous release on cdbaby was Harmonious Living. "Harmonious Living" is like a breath of fresh air, with its breezy vocals and harmonies, layered like colors in a rainbow. "Harmonious Living" is a celebration of being in love with life, family and companionship. This album is a refreshing reminder of what love is all about. This CD and Our Daily Bread are the perfect gifts of music. LUCKY is one of the most unique talents to come along in decades. LUCKY writes, arranges, produces and performs all the instrumentation. He sings the lead and background vocals; recorded and engineered the entire CD album. LUCKY is also the graphic's artist for "Harmonious Living's" album cover. On stage, LUCKY is a masterful performing artist who knows how to deliver a song. LUCKY invites you into the song and takes you for a melodic ride from beginning to end. If you are experiencing LUCKY's music for the first time, this

is your LUCKY day! Charles LUCKY Gibbs grew up in Wilmington, Delaware where he developed his extraordinary talent. He then moved to California where he landed a recording and publishing deal with "She's a Bad Mamajamma" producer - Leon Haywood, with his first self-produced studio demo. LUCKY then went on to develop his own independent record and production label in order to exercise his artistic and creative freedoms. LUCKY now resides in Colorado Springs, Colorado where he is facilitating his new, independent record label - SATTORI RECORDS. You will be seeing and hearing alot more from LUCKY in the future. Keep looking and listening for his upcoming appearances and album(s). Peace Grace, Love Joyous Music ... SATTORI Records.
