Details: This Soulful yet Funky Songstress Mae Gee, will send chills through your spine and pierce your heart. Her Music is Original and Sassy, with old and new school Vibe. Heralded as a soulful songstress in her hometown of Sacramento, CA, Mae, or Dirty Mae for those in the know, is anything but grimy. Mae burst onto the scene quickly when she lent her voice on tour, hitting major cities all through the U.S. Experience in hand, Mae performs like she means it and has been taking "her style" to the front of the stage since 2006. Clearly Mae Gee is not new to the game, she adds a sense of reality to the music she chooses. Slick sensibility for soft and moody is the backdrop on the production for Maes track Cant Let Go (Winner of the Vox Populi Independent Music Awards for best R&B Song) and Nominated Best R&B artist and Neo-Soul Artist For this years Bay Area BMA's. Maes debut album, "Mae Day" just dropped Sept 2008 through her own Record Label Nostalgic Music. Mae Day features some hot homegrown talent. She has opened for artists like ROBIN THICKE, MARY J. BLIGE, Dazz Band, Sister Sledge, Morris Day and the Time. Mae Gee reminds the listener of a young "TEENA MARIE" and you wonder what she would sound like in a duo with Rick James if he were still alive. Fond of keeping it real, Miss Mae is a startling beauty in person, has all the energy and presence of a TRUE entertainer! Once the show begins it is clear why Mae has had such success that continues to grow with such charismatic talent! Sexy and captivating, Mae Gees debut is here So Buy It!
