I often replay things that have happened in my life. Music is an escape for me. I get into another world and leave the daily grind behind. Music makes me feel alive and at peace. Singing makes me feel free and I release feelings and express myself. Mary May, in short, offers songs that provide beautiful catharsis. Affecting Mary May strives hard to sing music that leaves behind an influence, that impacts listeners. Music should be something that affects you. People listen to music because they like how it makes them feel. Music captures feelings and when you listen to a good song, it will satisfy that craving every time you listen to it. I get really inspired when I listen to a song and it is expressing something profound that is often not talked about. Lock the Door Lock the Door will unlock a realm of mesmerizing music for many. What is Lock the Door? Its the album recently announced by Mary May. Having just left the studio upon completion of the CD, she is gearing up for touring to get the word out. And writings always afoot, so more music lies ahead! Review Theres so much honest passion and emotiveness in Mary Mays music, its hard not to be moved. A&R Select Outro I have been likened to a butterfly. My spirit soars to music as

a butterfly floats with the air currents. I am known for my freeness, innocence and natural, earthy style. But underneath this free-floating butterfly appearance there are a lot of multifaceted things going on that few people get to see. When it comes to my music career, I am far from free-floating. I am focused and determined.
