Music Capitol Records provides a beautiful collection of meditative, artistic, thought enveloping compositions that showcase both smooth, and sultry melodies allowing everyone from the modern day meditation expert to the everyday music consumer to enjoy. 8 MP3 Songs in this album (38:56) ! Related styles: NEW AGE: Meditation, NEW AGE: Relaxation Details: Music Capitol Records is proud to present Meditation of Thine Heart. This album is made of a selection of wordless vocal and audio recordings designed to reach to the farthestmost limits of mans emotional and intellectual life. As you listen you will hear many different synthetic, acoustic, orchestral, and percussive sounds as they come streaming through the airwaves. Each listener should observe the patterns formed by the sounds projected, and respond to the thought and feeling from which the patterns have come. Some might ask, why a wordless album? Well, much like language, music aims to communicate meaning. Words are concrete; tone is fluid and intangible. A word taken by itself has a fixed meaning; a tone assumes meaning only from its association with other tones. Words convey specific ideas; music suggest elusive states of mind (The enjoyment of music: Third Edition). Therefore we are unable to explain the meaning of music. It means what it will mean. That says that it will mean something different to each listener, which will be the thought and the meditation of their own heart.
