Perfect for Circle Times. 18 MP3 Songs KIDS/FAMILY: Kid Friendly, KIDS/FAMILY: Lullabies Details: Melinda Marks Burgard, M.A., is a certified Music Therapist who received her training at New York University. She has been facilitating Music Therapy groups with a variety of populations for over 15 years. She currently specializes in working with children with special needs, as well as teaching Early Childhood Music classes to children in Southern Orange County, New York. She has a private practice and acts as a consultant for the Autism Foundation of New York. A Personal Note from Melinda: Hello Everyone! As a Mother, Music Teacher and Music Therapist, I am so excited to share my music with you! If you are a Teacher, you'll appreciate these fun and educational activities (which are perfect for Circle Time!--You can use EVERY SINGLE SONG on this CD--not just one or two!). Additionally, you can create your own musical production using the bonus tracks without vocals (like Karaoke)! As a Therapist, I intentionally created these songs to encourage socialization, speech, and motor skills. As a Mom, I know that music has always been a great way to bond with my child. Just listen to (as my friends say "the tear jerking") "I LOVE MY BABY"--a duet with my beautiful daughter, adopted from Korea--and you'll know what I mean. This CD was made for you. Enjoy the music, use my ideas, and feel free to expand upon them. Additional lyrics and goals and plans can be found by visiting my website at: [geocities.com/melindas\\_music](http://geocities.com/melindas_music) NEW! The children LOVE it!" --Iris Tompkins, Director/Teacher Child Enrichment Center, Monroe, NY "...Just wanted you to know that my daughter, Chase, is thoroughly

enjoying your CD. She REALLY loves it! In fact, she made me take it out of the car so she could finish listening in our home...and twice more after that...the rave reviews are in...It's a hit! Well-loved by kids and adults alike!" --Jennifer K., Highland Mills, NY "I CAN DO MOST ANYTHING!" is a creative and enjoyable way to interact with your child while enhancing his or her development." --John Pelliteri, Ph.D.

Psychologist Music Therapist Queens College, CUNY "I know that my students appreciated the variety of styles of music on your CD. We could sing along, play our instruments, do the movement activities, or just relax to the lullabies. As a teacher, I especially appreciated the lyrics, goals and plans which were readily accessible via your website. Thank-you so much. This is just what we needed." --Darcie Barman, M.S.
