

Mp3 Michelle Titian - Pop: Folky Pop

[DOWNLOAD HERE](#)

A blend of Country and Soulful Roots music. She uses country music as a base and layers it with undertones of 60s soul and bluegrass. 8 MP3 Songs POP: Folky Pop, COUNTRY: Country Pop Details: New Canadian artist Michelle Titian has a unique vocal and writing ability. Her passionate performances have drawn attention in North America from some of the finest music industry people. Her style cannot be classified as one single genre; it is a blend of Country and Soulful Roots music. She uses country music as a base and layers it with undertones of 60s soul and bluegrass. With a voice reminiscent of the great pioneers of female vocal legends such as Patsy Cline, Emmylou Harris, and K.D Lang, Its easy to lose yourself in her songs. Her exceptional voice and incomparable presence can draw you out of your element and into her world. Legendary influences such as Roy Orbison, Dolly Parton and Willie Nelson have inspired Michelle to create music. Currently, she has just released her first album. Recorded with guitarist, Bill Dillon and produced by Trevor Titian. These unique collaborations have resulted in some of the best musical performances to come out of Canada, stirring up an unprecedented level of creativity in Michelle. Michelle has been surrounded by music her entire life. Born and raised in Hamilton, Ontario, Michelle currently splits her time between Hamilton and Nashville Tennessee. Her songwriting is constantly evolving. As her life progresses and she gains experience, it shows in her songwriting. Michelle's combination of lyrics, music and stunning performances make this new artist/singer-songwriter a powerful upcoming force in the music industry.
