Gary visited Nashville with a brief-case full of his own country songs in August, 2006, intend on forming associations that would enhance his dream of seeing his original compositions come to life in America, as well as Australia: testimony to the success of this visit is well illustrated on his web-site, woodscompositions.com, as well as at myspace.com/garywoodscompositions and myspace.com/garywoodssomgsforastars. Gary's songs bring back stirring memories of some of the country greats and are characterised by great lyrics telling good, human stories.
