Elegantly simple and profoundly beautiful. Patricia's voice leads you on a journey to recover your Authentic Self. 6 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Once you experience Patricia Caldwell's voice and presence your heart will never be the same. She captivates listeners, weaving her rich clear voice into songs full of inspiration and humor. When she combines her voice with that of the Tibetan Singing Bowl, a profoundly mystical sound experience is created. And that is just the beginning. One of my favorite ways of singing is to sing into the Tibetan Singing Bowl. I am told that our combined voices create a mystical sound experience that is profoundly peaceful, and at the same time creates an enhanced medium for healing, clarity and joy beyond the benefits of listening to the bowls alone. "Sacred Surrender" came about through awaking one morning with a knowing that I was supposed to create a CD. I was to take my Tibetan Bowl, and a rattle to the recording studio and merely follow the inspiration that would come to me moment by moment. Feeling denied of my customary record-redo cycle was a huge challenge for my perfectionist nature. The process was indeed a sacred surrender. Patricia's beautiful voice connects Heaven and Earth through the heart. When you listen to her music, prepare to be transported to places of emotional richness and spiritual clarity. I love singing a variety of genres of music and have two other CDs, "Along the Way," and "The Sweet Message." You can check those out on my website. I hope you will enjoy "Sacred Surrender." Thanks for taking the time to read this. Your comments are welcomed. With Blessings and Love. Patricia People who are interested in Enya should consider this download.
