Great album for babies and kids, songs to sing with and songs to dance to. 11 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Lullabies Details: "Monkey Dance" has songs to dance to and songs to sing with and a lyric coloring book to color in. Monkey Dance has delightful themes, butterflies, rainbows, puppies, monkeys, and dolphins, even adults will like these songs. The songs in Monkey Dance are part of Penelope's music and puppets, literacy assembly, "teaching kids to think like writers." Thank you for coming to Barton Magnet School, your performance was absolutely incredible. You really did inspire me. So I have generated a puppet monkey made out of paper. His name is Ralph. I really liked your puppets, especially the orangutan. The color of the fur was beautiful. I truly enjoyed your performance. Thank You! Sincerely Elisha Denton
