Guest appearance by Spaz the Working Class 17 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Alternative Hip Hop Details: Phenetiks. Infatuation at it's finest. Formed in 1994 by producer/electronic brain Deto-22, the group has changed roster quite a bit before having the perfect peices finally take form. Although the people changed, the idea and philosophy has not. Roc-one and Deto collided lovely back in 1998 and got the ball rolling. JK1 The Supernova came aboard in 2000 after his work with Deto on "The Strangest Secret" album (You should find it). Collectively, they opened a studio in Waterbury, CT. The late/great Ant Farm in 2003. This is the magical place most of the songs on "The Sandbox Set" were recorded. This is also when and were DJ SirCumference came to be the first official DJ of Phenetiks. The group had met The Protege at the Ant Farm as well and in 2006 joined on as Promo/assistant/grind master/MC/hype-man/workaholic. And the rest is history in the making. Peace. Yell at your friends.
