Hot flamenco guitar meets pulsing modern grooves. An exploration of the essence of flamenco and world with contemporary style. Very hot indeed. 11 MP3 Songs WORLD: Flamenco, LATIN: Flamenco Details: PULSE explores a contemporary sound without losing the essence of the Spanish guitar. Combining flamenco guitar with modern beats, grooves and percussion, Pulse fuses the past with the present. This exciting new release captures the spirit of the world and some of the great musicians who travel around it. Special guests include the incredible vocals of Estela Raval on Flora, Mario Rodriguez's 6 string fretless bass on Aires De La Alhambra and Ytsan, and the passionate acoustic bass of Avery Sharpe on Ytsan. Gumbi Ortiz adds his congas on Flora, and Vincent Miraglia drums on the title track Pulse. Also, Fahim Danden adds his worldly vocals and Oud on Ytsan.
