The essence of our being in the universe is rhythm. Life Vibrations uses rhythm as it's essence. A Healing infused music soundtrack for your balanced LIFEstyle. 9 MP3 Songs in this album (73:06) ! Related styles: EASY LISTENING: Mood Music, WORLD: Middle East Contemporary People who are interested in Thievery Corporation Caf Del Mar Buddha Bar should consider this download. Details: The essence of our being in the universe is rhythm... The stars have a rhythm in the galaxy, the planets have rhythm around the stars and we have rhythm in our bodies that animate us, keeps us going, pumps our blood. The Life Vibration healing CD series uses rhythm as it's essence. Along with healing infused music, it will talk to your body deeper and more profound than words possibly can. It will find the core of inharmony in you and make it once again harmonious. The rhythms will speak to your body and the music will cleanse your soul. You are a beautiful expression of cosmic vibration that wants to flow with all that is. Life Vibrations is a contemporary soundtrack that will bring you into the flow and keep you there. Steve Booke - Composer, Producer, Guitarist Credits include: Oprah Winfrey, VH1, A&E, Discovery Channel Lisa Liu - Violinist Credits include: Elton John, Josh Groben, Alisha Keys Premik Russell Tubbs - Flute Credits include: Whitney Houston, Mahvishnu Orchestra
