Crisp 60s melodies garnished with manic energy, tight vocal harmonies and occasional country flourishes. 9 MP3 Songs in this album (21:51) ! Related styles: POP: 60's Pop, ROCK: Garage Rock

People who are interested in The Kinks The Byrds Big Star should consider this download. Details: Not a pop band in the sense of contemporary pop-punk or power pop, mind you. The Midwest Beat live in a chronologically distant world where precise song structures, jangling guitars and tight vocal harmonies ruled the day. Big Star, The Byrds, The Kinks and the Zombies are their regular touchstones, bands whose own careers were at their peak a decade or more before the foursomes members were born. Unless audiences show up harboring a similar jones for Alex Chilton, et al. or younger fellow travelers like the considerably messier Black Lips it can take a few songs before the deftness of their guitar pop and restrained psychedelia becomes apparent. But once their music hits you, youre apt to become a proselytizer for the cause. ===== The Midwest Beat CD should be a welcome addition to any pop-garage fans collection
