When cowboy Dan Granger hires etiquette diva Lilia London for a crash course in manners, she has no idea what she's getting into. His twang and his rough manners are foreign to the well-bred Lilia. Still, she's determined to polish him. Her task would be much easier if Dan wasn't so mouthwatering--the six-pack riding above his belt alone is enough to make her mix up her forks. And when he offers to teach her his own theory of sexual etiquette--Uncivilization 101--how can she resist? But is a sensual trip into hedonism enough to counteract a lifetime of proper behavior? As Lilia's professionalism reasserts itself, she realizes she has to let her sexy Texan go...unless she can convince herself to do an advanced degree in Uncivilization.
