

# The Moon And Flowers (mp3 Album)

[DOWNLOAD HERE](#)

The Moon and Flowers is a collection of original compositions, both reflective and playful, performed on classical guitar, flute and piano. 13 MP3 Songs in this album (54:00) ! Related styles: EASY LISTENING: Adult contemporary, NEW AGE: Contemporary Instrumental People who are interested in John Williams should consider this download. Details: The Moon and Flowers is a collection of original compositions, both reflective and playful, performed on classical guitar, flute and piano. Daniel LaBrash resides in the very scenic Hockley Valley area in Ontario where he is well known as a composer, freelance guitarist and guitar teacher. Daniel's writing reflects his delight and appreciation of his lush surroundings. Susan Piltch lives in Toronto where she freelances as a flutist and pianist, and contracts her own ensembles for background music engagements. She is a teacher, performer and composer. Daniel LaBrash and Susan Piltch recorded another CD in 1996 entitled "Nature's Play", also available on CD Baby. In 2009, Susan Piltch released her first solo CD, playing all flute and piano parts herself. A mix of classical, contemporary and original, "Out of the Shadows" is available on CD Baby.
