World War II continues to be one of the most significant conflicts in history. In this title, readers will examine the weapons-large and small-used by military forces in the war as well as the technological advances made to produce them. Engaging text introduces readers to the tanks, ships, and aircraft developed and used and the roles they played in military campaigns. Chapters also introduce the personal weapons and artillery used. Additionally, readers will explore the development and impact of the Atomic Bomb. ABDO & Daughters is an imprint of ABDO Publishing Company.
