Welcome to Grace Valley, California--where blood runs thicker...ties are stronger...and love is all the more sweet. Visitors often remark about the valley's peace and beauty. Unlocked doors, front porches, pies cooling in windows--this is country life at its finest. But visitors don't see what lies at the heart of a community. Or just beyond...June Hudson grew up in Grace Valley, the daughter of the town doctor. Leaving to get her medical training, she returned home and followed in her father's footsteps. Some might say she chose the easy route...but June knows better. She's always on call, her work is her life and these people are her family. Which is a good thing, since this is a town where you should have picked your husband in the ninth grade. It's not exactly the place to meet eligible men--until an undercover DEA agent suddenly starts appearing at all sorts of strange hours. Everybody has secrets down in the valley. Now June has one of her own.
