If animals had a Top 40 post these well-crafted kid-powered story-songs would top the charts. Comes in pop, shake reggae, worldbeat, and r&b flavors. 10 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Kid Friendly Sing Us A Story Songs Details: Whoa. Here's a CD that will grab your ears! Powered by positive, cheerful traces and well-crafted story-songs, this is contagious fun in the making. Remember VeggieTales full-grown up. (our background). Nashville's best young talent and several up-and-coming artists sing animal stories so memorable, you'll be hitting the replay button. Meet Carmella Gorella if you dare, pretend that's you on the beach When Dolphins Dance, or let imagination run wild as Cheetah prowls the night streets of Capetown. Chime in with the Friday night bleacher gang singing Wild Thing, or be the first kid on your block to Take A Penguin Out To Lunch. Listeners might even (yikes!) learn some new facts about animals. We call it edu-tainment. You'll call it worthwhile. This is all-ages family entertainment that doesn't leave anyone out. Especially the animals. We are giving animal-friendly non-profits a portion of the proceeds to protect animals and habitat. By ordering Sing Us A Story, you'll help us make a difference one CD at a time. They're worth it. They're Animal AllStars!
