Eclectic folk rock, for people who like stories and good lyrics. Rayguns, food, point shoes and hearts in jars. Great acoustic and vintage electric guitar sounds. Anti folk without the outfit. 14 MP3 Songs FOLK: Folk Pop, FOLK: Folk-Rock Show all album songs: Field Guide to Loneliness Songs Details: Canadian singer/songwriter/guitarist Ben Sures has forged a devoted underground following made up of... nerdy twenty-something girls, baby boomers and songwriter junkies! We have no explanation for this demographic. Sures has played festivals and shared stages with everyone from Corb Lund to Rita Chiarelli and is well known to CBC listeners across Canada and CKUA in Alberta. This is his fourth independent release. Field Guide To Loneliness is for fans of storytelling and lyrics along the lines of the Weakerthans and Leonard Cohen: eclectic folk rock. The album is natural sounding acoustic music in a full band setting: acoustic guitars, upright bass and mandolins, Lhasa-influenced percussion and back up vocals, Ry Cooder-esque slide guitar, understated vintage electric sounds and a hint of 1960s analog sci fi effects. Field Guide To Loneliness was mixed by legendary Nashville producer Miles Wilkinson (Guy Clark, Darell Scott, Verlon Thompson) and produced by Sures and longtime Jann Arden bassist/co-writer Michael Lent. Musicians include Bruce Cockburn drummer Gary Craig, Bebop Cowboy Burke Carroll on pedal steel, legendary Junior Gone Wild frontman Mike McDonald on harmonica, Torontos Sahra Featherstone on violin, Vavid Woodhead and more. The themes of this record are isolation, loss, drunkenness, science fiction, environmental decay through the eyes of a fish, a father remembered through lunches prepared for him on his journeys and loners in taped up glasses clutching their pocket protectors. Dancer is the story of a young girl who leaves home to study dance, and when promoted to principal her hip gives out and she has to leave her life's work behind. This song is in medium rotation on Magic 99 in Edmonton. The narrator in Used To Have A Raygun solves all the everyday problems of

social awkwardness by simply firing a cure all imagined science fiction weapon at her problems. In Til I Learned To Cook For You, the narrators kitchen goes to hell after a break up. The album closer, Man On The Verge, is a moving, poetic masterpiece about a man standing in a field, unable to leave. The album is called Field Guide.. in the hopes that the listener will be able to peer into these songs without getting s@*t on their shoes. 2005 winner in the folk category of the John Lennon Songwriting contest 2006 second place winner AAA category International Songwriting contest
