New rock and pop; weaves together universal themes - such as identity, love, and loss - with his world views on violance, war, religion and more. Nods to U2, Audioslave and the Cure. 13 MP3 Songs ROCK: Modern Rock, ROCK: 90's Rock Details: As a half-Iranian, half Italian musician who has lived all over the globe, Dario Amini has a lot of feelings about world events and personal experiences. A Noise Within, his debut rock/pop CD, weaves together universal themes - such as identity, love, and loss - with his world views on violance, war, religion, etc. Though not overtly political, there is an underlying message to almost all of the songs. Dario's musical influences are such notables as U2, Pink Floyd, Coldplay, Audioslave, Foo Fighters and The Cure. Contributing to the CD are Enzo Todesco on drums, and Eric Williams and Pete Villarreal on additional guitars on two songs.
