Disappearance makes Rock Hip Hop Collide with rap style vocals that break into catchy melodies on top of a hard rock music . Delivers the most uplifting energetic Live Show in LA. 13 MP3 Songs HIP HOP/RAP: White-Boy Rap, METAL: Rapcore Details: Disappearance is a distinctive project that impeccably fuses its influences of hip-hop, rock, blues, funk and reggae into the most unique, experimental hip-hop/rock band today. Their high-energy, hook-filled songs have steadily amassed a loyal local fan base that grows every day. Word of their live performances has spread like wildfire throughout their hometown of Palmdale and surrounding cities. Originality, in a sense, is quite the understatement when it comes to Disappearance; they'll groove the fans into a state of serenity with a flowing, Sublime-like ballad, then aurally assault the audience with a hard-hitting, guitar-solo-filled solid rock song a-la-R.A.T.M. with no warning. It's hard to go wrong when a group of talented young musicians combine a mix of incredible songwriting, an insane amount of emotion, a massive amount of stage presence, and a good look. Disappearance delivers on all of them.
