Alabama's Lost Talent. A Mixture of New Orlean's Bounce, and North Alabama Slang and Music. 17 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: Thump Music: This record label started in Florence, Al on October 2004, by me Roderick James (E.B.) Kindle. I started Thump Music only to expand my music for a record deal. But since I have a studio, and produced my own tracks. I want to see thump music expand into a superior indie label. With hard work, tracks that'll rock your subs, and out of control lyrics, you'll be shock to know that this is comin out of North Alabama, an untapped market of southern hip hop. With aritst like Me Roderick (E.B.) Kindle, Olandus (Kilo) Caldwell, and the S.o.T (Sons of Thump) There is no way that Thump Music can be denied. When it comes to Southern Rap; Thump Music will be next in line to shine. Holla Back Yogae! [thumpmusicrecords.com](http://thumpmusicrecords.com)
