Acoustic-driven rock; a kicker for fans of Train and Dave Mathews Band 15 MP3 Songs FOLK: like Ani, ROCK: Folk Rock Details: flanelhed began in 1994 with the creative forces of a GIT grad an unknown. Both good friends since High School. Murf Chris instantly gelled into a very dynamic writing force. Crossing styles and inspirations, they formed the band right out of the darkness. After playing a gig together for the first time in their lives, they knew they had something. The Bay Area rock scene in the mid to late 90's was "hot". Bands played all over to packed houses and so did flanelhed. The band was growing, as was the following. But things changed at the end of the decade. The electric rock, slammin' music seemed to be going extinct and it showed in the Bay Area. But Murf and Chris did what they always do, write songs they believe in. The styles had changed but the creativity hadn't. Now playing with acoustic guitars, bass, drums and keys, the sound of flanelhed is stronger than ever. The three new members contributing new energy to flanelhed, established local drummer longtime good friend, Vince laying down phat grooves and satisfying dynamics. Terry, fresh in from Amsterdam, keeping it together with solid bass lines with character, and Chris Cali, from another planet, (Jersey) adding a new dimension with atmosphere and depth on the keyboard. The massive energy they produced in the past is now tight, raw, loud, soft, light and dark. All of the elements that make great music and the music keeps coming...
