the Spirit ? The Kittrell sisters, a quartet consisting of four sisters (Fabrienne, Vashti, Jennifer and
Rolanda) - each different, yet from the same root WHAT do they sing? SONGS: to the Lord, to the body
of Christ and to the unbeliever, bringing the message of Christ, the love He gives and the constant call to
come closer WHY "Worship = Relationship"? The love of Christ always wants us to draw nearer, building
a relationship that calls us to live a life of worship. The songs? They're a direct reflection of a time, a
season of our lives that have grown from glory to glory; they come from knowing/walking with the Lord;
Him talking to us, and us talking to Him: Worship = Relationship It's not about style, but about substance
It's not a method, but a ministry Not just singing, but worship And not just WORSHIP but,
RELATIONSHIP!
