GOSPEL: Traditional Gospel, GOSPEL: Contemporary Gospel Details: "But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty. And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are: that no flesh should glory in his presence". [1 Corinthians 1:27- 29] This scripture is the backbone and driving force behind Pastor Garry O.White. This scripture inspired the hit song Good News on the NEW sound track "Charity". The song exemplifies how God can take a meager nobody and turn them into somebody. Vocalist and songwriter are words used to describe Pastor White. He enters the gospel music industry embracing a somewhat forgotten style of gospel music that was made famous by names like Sam Cooke, Dixie Hummingbirds, The Soul Stirrers, William Brothers and last but not least the legendary Five Blind Boys. If the word quartet, or maybe traditional soulful gospel comes to mind after hearing those names, then you are correct. The gospel music of this era so eloquently captured the trials and tribulations of the 1970s " 1990s in its lyrics. Pastor White has the ability to capture the trials of todays generation into his music just as the vocalist of that era. He provides a refreshing dose of motivation to help listeners move from where they are to where they want to be. For whatever situation a man finds himself, Pastor White provides a God centered word of encouragement and support through his motivational lyrics. His record label has adopted a mission to embrace singing and ministering to the body of Christ. His record label Oneness Gospel Records is poised to touch many through the ministry of music. Oneness Gospel Records was founded in 2004 under the guidance of Pastor White, who also serves as the president and founder. To

listen to the impassioned stories of his company's inception, is to share in a powerful, spiritually endorsed movement to touch and inspire individuals to lean and depend on the hand of God who is able to keep you.
