Alternative/Rock 15 MP3 Songs ROCK: Progressive Rock, POP: 90's Pop Details: "Jeff and Sue/Cult of 2" Have released their new album "Bird". "Bird" is comprised of 15 original tracks including the hit "On Sunday" and featuring the violinist David Ragsdale of the classic rock group Kansas. It is an introspective album with underlying themes of life-beginnings and ends. "Bird" was recorded, mixed and mastered at Jeff and Susan's own "Martini Hill Recording Studio" Their home and studio are located in the center of 160 remote and secluded acres, and, is several miles from electric and phone lines. All of the energy used to power their home and studio are provided by wind and solar power. Communication is provided by 2-way satellite. Their new cd "Bird" could possibly be one of the first environmentally "Green" , renewable energy produced cd's ! For more information on "Jeff and Sue/Cult of 2" log on to jeffandsue.com
