People who are interested in Colbie Caillat should consider this download. Details: Jenny has always had a zest for life. Whether humming the theme song from her favorite cartoon at the age of three or writing lyrics about her everyday experiences, she has always taken her enthusiasm and channeled it creatively. Her love of people and music provide her with emotional lyrics that reflect experiences common to many. She was first noticed by Cathi Larsen, of the Cathi Larsen Agency, in Birmingham, AL. She was encouraged to follow her dreams and that led to a demo of cover songs. Jenny then came to the attention of Grammy award winning songwriter and producer, Gary Baker. With a wonderful producer, an amazing studio, and people that wanted her to succeed, Jenny began the process of co-writing and tracking her first album. That album is now here and all the excitement that goes with it, is amazing. Jenny feels so blessed to have had the opportunity to record her first album at 15 years old. It has been a labor of love, full of passion and joy. The music is pop/rock with beautiful vocals supported by strings that were recorded in the Czech Republic, bass, acoustic, electric guitars and rocking drums. The lyrics speak of love and life. "I Cry" will move you to tears while "Bring The Sun" will make you smile. These CD lyrics were written from the heart and are sure to touch yours. Jenny hopes that you will love her stories and music as much as she does and thanks all those that buy and enjoy her debut CD.
