Soul Searching Acoustic Fusion. 14 MP3 Songs in this album (65:17) ! Related styles: COUNTRY: Americana, COUNTRY: Alt-Country Details: Jason Miller's songwriting compares to a Covered Bridge placed gently over a creek bed with every stone in the sand softly whispering their story. Sometimes the music comes in grooves and sometimes it is crafted with the utmost of genuine concern and simplicity. There is a message in every tune, a message that everyone can relate too, and it will always be heartfelt and honest.
