Folk, acoustic pop 9 MP3 Songs POP: Folkly Pop, FOLK: Folk Pop Details: To some it may seem that Joe Sedita is a new face on the scene, but he has been a outstanding songwriter and guitarist for several years. Joe's music has been featured on radio and has received critical acclaim. As the founder of Joe and The Bluefield, Joe found a audience for his roots-rock stylings. The new cd Orfeu', Joe's first acoustic project featuring himself on all instruments, is heavily influenced by the movie 'Black Orpheus' via lyrics and music. Joe's music has been compared to Dave Matthews or James Taylor but with a world beat influence. An all acoustic album, Orfeu' has a variety of influences and appeals to any one that has a love for well crafted songwriting and thoughtful lyrics.
