Few smooth jazz artists such as Paul Hardcastle, Yellowjackets and The Jazz Masters have the unique ability of crafting songs that are instantly memorable, JON-PAUL has that ability and displays it with flare in this, his debut smooth jazz fusion release. 12 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion

Details: About "Innerstandings" by JON-PAUL ----- JON-PAUL's, "Innerstandings", marks a beautiful debut for this smooth jazz fusion keyboardist, bassist, composer producer. Heavily featured on this debut album is one of the greatest up and coming Jazz saxophonist alive, the multi-talented, Dave Wilson. Dave Wilson has performed from the West Coast to Eastern Europe and many places in between, from the legendary jam at the New Apartment Lounge on Chicago's South Side to Carnegie Hall. Also featured on Innerstandings is the amazing guitarist, Donovan Raitt. Donovan has performed with many artists in the jazz scene including, Riddle the Sphinx, The Downbeat Express Big Band, Mambo Soul Latin Jazz band, The Swingshift Big Band, as well as numerous others. The combined work of these three talented artist was focused by Jon-Paul to produce what many have said should become a smooth jazz fusion masterpiece. Innerstandings paints a symphonic picture of soulful, smooth jazz fusion. Songs such as "Welcome to My Mind" and "Shower Me" are songs that display many of the smooth jazz styles that JON-PAUL has obviously been influenced by. Those such as Paul Hardcastle, Rob Mullins, Herbie Hancock and more. The listener is treated to upbeat journeys in "Seven", "Santa Barbara", "If I Ever See the Day" and "Shower Me". Other tracks such as "Smoothr" and "At Sunrise" are more ambient pieces that are calming, mood setting, audio delights that will be easily remembered for years to come. As one smooth jazz fan noted, "Your music is like riding a magic carpet!" Whether driving down the highway with the top down, at a restaurant listening to ambient vibes, or at home relaxing with friends and family, this compilation of groovin' smooth jazz is right on target with its

fresh new and exciting sound. Just as the seasons of the year change, one month at a time, so does each one of Jon-Paul's 12 tracks on this debut album that will take you with him as you take time to explore and enjoy, "Innerstandings". From start to finish, Innerstandings is an almost impetuous mixture of harmonic vibes, sonic landscapes and soulful rhythms all meshed in a smooth jazzy symphonic production. This album certainly contains all of the ingredients that could make for what should be one of the great Smooth Jazz Recordings of the Year
