Pure classy classic soul from the UK's leading 80s soulman 10 MP3 Songs in this album (47:37) ! Details: Slow-stepping soul from Keni Stevens -- an artist who always seems to have a better way with a ballad than he does with a groove! The music here is often nicely laidback -- late nite stuff, but in an 80s sort of way -- given that most of the rhythms and instrumentation are electric, and the vocals get a bit of processing in the mix. That doesn't mean that the sound is cold, though -- as Keni more than warms things up with his solid lyrical approach -- spreading soul across the top in a nicely easygoing mode that really fits the speed of the tunes. Titles include "Work Me Up", "Hurt This Way", "Who's Been Loving You", "I Bleed For You", "Anne", "You", and "24 7 365"
