Details: LEMON is a NYC-based duo comprised of singer-songwriter Roger Smith and producer-instrumentalist Thor Madsen. Their popularity continues to explode due to their unique blend of pop, soul, electronica and dance that evolves the melody-rich 70s and 80s into a 21st century standard for pop. To mark the launch of their new CD, Year on Mars, they've partnered with Electric Allstars (the DJ/Producer the UK hit "We Close Our Eyes") to remix In the Night, a dance floor stunner. With amazing backing vocals from Camille Jones ("The Creeps" with Fedde le Grande), its easy to hear why the world is catching on. Tags: pop
