[DOWNLOAD HERE](#)

Tomlinson's second solo acoustic CD is accompanied by Pacific Northwest weather. Recorded on an old wooden porch while listening to steady rain and distant thunder, he invites the listener to come in out of the rain and listen to an intimate concert. 14 MP3 Songs in this album (72:08) ! Related styles: FOLK: Folk-Rock, POP: Folky Pop People who are interested in Dan Fogelberg David Wilcox should consider this download. Details: Probably the most intimate of all Michael's recordings. After performing widely with band and in solo concerts, Tomlinson decided to create an intimate album of his new and old songs, sung on an old wooden porch with light Northwest rain falling and distant thunder rumbling. The weather is as steady and soothing an accompanist as any band and the relaxed and casual feel of the performance makes the listener feel as if it's her own front porch and Michael has stepped up out of the rain to sing just for her.
