Less is more, haunting and emotive, with influences from jazz and early 20th century music, layered with rich and deep vocals that give the music a very distinctive character. 9 MP3 Songs POP: Ambient Pop, ROCK: Adult Alternative Pop/Rock Details: Moorlandt is Walter Vandervelde. Just a solo musician, singer/songwriter from Brussels. Less is more can be considered as the hook of moorlandts music, although without falling into pure artistic minimalism. Melodic emotions are core, mainly expressed vocally. Moorlandt makes music. Music for listeners. Music that is deep and moving. His voice has a remarkable tone which is a sort of a mix of Nick Cave, David Sylvian and Leonard Cohen. But then again, Moorlandt is Moorlandt. Moorlandt collabs. From time to time. With talented musicians that extend his musical reach. Moorlandt thanks you for listening. And when you do so, get absorbed.
