My cd caters to the genre's of R&B, Jazz, Gospel,love Ballads,and young people. 10 MP3 Songs EASY LISTENING: Lounge, GOSPEL: Contemporary Gospel Details: My name is Norman Carter and I am an artist with many talents. I write, arrange, sing,and produce music of different genres'. I am the minister of music at two community churches, therefore,I have a gospel background. However, I have been blessed to branch out to compose and perform other styles of music. I have produced two cd's. I am putting my second cd on the market to see what type of interest I generate from the music seekers. I am a graduate of Albany State University upon which I received a Degree in Music Education and a Master's in Music Education. I am a member of Kappa Kappa Psi Fraternity Incorporated. I have been an educator for nineteen years and praying that I can make it to retirement. My passion has always been music, and I will continue to make music as long as God gives me the knowledge, health, and strength to keep writing, arranging ,and singing. On this cd, I did everything including all the voice parts. I hope that you like the cd and I look forward to providing music for my potential fans in the future.
