New Age - soothing style piano pieces with a light and lilted way about them. 15 MP3 Songs NEW AGE:
New Age, CLASSICAL: Contemporary Details: I have always used my music to escape the pain and setbacks of real life. Being able to connect with something that transcends ordinary life is a great thrill and knowing that the world of imagination is unlimited gives meaning to life. I hope to share at least a little of that feeling with others. La musique est une mode de connection avec le monde d'imagination, ca c'est sans limitations. La musica es como voy al mundo de fantasia.
