I was born in Dallas, Texas and raised in a neighborhood in Irving called Bear Creek. I've been doing music since I was 7 yrs old. I recorded my first song for my cousin that was a running back for the Pittsburgh Steelers, Mr. Barry Foster. I was seven years old when this song picked to be played at the Super Bowl if the Steelers won. I'm now fifteen and I attend Irving High School in Irving. I produced and

wrote songs on this album. I work hard on everything and anything I put my mind to and I'm blessed to have this talent. *PLAYA MADE*.
