[DOWNLOAD HERE](#)

Blues with heavy New Orleans influences. 12 MP3 Songs BLUES: Blues Vocals, BLUES: Delta Style Details: Twenty-two years of performing in New Orleans influenced this soulful vocalist and keyboardist Sally Townes. This is her 5th recording project and by far her best. The CD consists of 12 all original and mostly blues tracks. The songs have great arrangements and harmonies with solos and flavorings by Sallys keyboards and some very funky and soulful musicians. Its hard to decide which song in my favorite. I like them all.
