Details: Sneak One born and raised in the City of Compton. As an youth growing up in the environment where Gangs, Drugs,police brutality,Aids, prositution pledge the community. Sports and Rap music has been a life support for this young striving artist. Through out the L.A. and Compton Community known for his athleticism, Sneak had another side that he has the same passion for and thats Hip-hop... He calls himself a student of the game... Got to admitt it he knows his music...Sneak has featured on some indie artists albums such as Justified the Caliway album and the Deep in the game Affilietez complation which featured E-40;Spice 1;BadAzz;and Kokane... Now he has finially completed his first release Product of the Environment.....A emotional joy ride that is so lyrically indowed; he shows his diversity by flipping his flow to different beats from underground producer's like Lyric G; Young BO; Big Phokus;l-Roc; and DNA sound Lab....The Dude paid his due's now it's time to see if the hard work was worth it.....You can be the Judge
