"The long awaited lebron james of the rap game"- 7 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: TCB RECORDS tcbrecords.net Star has been doing music for as long as he could remember (4yrs old) he was always singing or rapping in the mirror. Even at the kitchen table while his mother was preparing a meal he would take a plate and glass and pots or pans to make a beat (Or As His Mom Would Say) NOISE!. At an early age he was inspired by the MOTOWN greats MARVIN GUY, TEMPTATIONS, DELLS, SMOKEY, then he grew up on N.W.A, BIGGIE, SCARFACE, 8 BALL MJG and JAY- Z who all inspired him to be himself no matter what. He was sign to his first record deal at the age of 15 by "HAMBLOCK RECORDS" out of Gary, IN. There he learned what to do and what not to do in the music business, this is also where he hook up with another young artist by the name of KAPONE who today is know for being one half of the hip hop act "UK" who push on STAR to work the mic instead of just writing, and making beats doing hooks on our artist joints. Beacause STAR took hold of the mic and never look back he was able to spend time with the GRIND FAMILY AND SOUTH SHORE MUSIC. Until he left Gary, IN to stand on his own this would prove to be very hard. But a must! Needing money for studio time and to help his family he turn to hustling "whatever da street called for" was what he said when ask during a recent interview. After year's of gaining respect in "Nap" (Indianapolis) Evansville, Lafayette, and Louisville he came back home and started the group L.O.D. which was packed with so much talent that everyone of the members went out on their own after a short time! UK were members of L.O.D.! Taking a well earn break from recording. A long time friend / fan name AL BULLOCK told him he was part of the "TCB RECORDS FAMILY" and took STAR to meet the Ceo of TCB none other than WILL LINDSAY or as STAR calls him "\$\$ DOLLAR \$\$" and the rest is to come. In a past interview STAR was ask How is life? he said, "I lost a few soilders on the way! But I just pulled weight for there lost". "And now

I'm where I want to be with the TCB RECORDS FAMILY. We got a hold of TCB's Ceo WILL LINDSAY and ask him What did he see in STAR? to want to sign him to the label. he said, "Star is a legend in his own tyme a prophet in his own rhyme and he is just getting started.
