Neo Soul, Jazz, Techno, Hip Hop, Funky, Dance Easy Listening 12 MP3 Songs URBAN/R&B:

Contemporary urban Details: From the experimental vault of Super Producer : Ronald"Tyke"Oliver. One half of the amazing production team of Oliver Joyner, founders of Towerlight Records. These tracks are a compilation of music hooks clips grooves that Oliver has created over the years of his extensive music career. Recordings from commercials previous artist demos and tracks that just have'nt found a home yet. "I looked in my vault and realized I had so much music laying around that so many people would enjoy" says Oliver. "A lot of it is just the hooks grooves and beginnings of songs I have'nt gotten back to yet, but they sounded really interesting, so I decided to put them on a album"! "And I've got a lot more"! With over 25 years of experience in music production, Oliver Joyner have recorded live concerts,commercial jingles,childrens music,gospel,neo,jazz hip hop! The introduction of the solo artist-TERRELL with his first single on Towerlight, "I'm calling for you" is smooth gospel at it's best!! "I gave Terrell the music, he wrote the lyrics immediately and within about two days the song was done"! This Cd has everything on it! The hit "It's not the Same" has local MC's lining up to work with "TYKE"! "I really like this track, it has a real outerspace flow to it"! Also the track "Holy Ghost Power" shows how versatile their music really is. "I decided I was'nt going to be bound by anything", so I went techno on that track"! The smooth groove "Dream" has a Tribe called Quest feel to it and the single" In My Mind" shows the influence Jam Lewis has had on them. There is something for everyone on this album, especially aspiring music producers!! Over 35 minutes total.
