

MP3 The Buzzards Featuring Will Ray - Country: Country Rock

[DOWNLOAD HERE](#)

The Buzzards play country mixed with rock and folk that emphasizes soulful vocals featuring strong melodies and soaring harmonies -- bolstered by a kick-ass rhythm section and spiced with killer lead guitar. 14 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: The Buzzards play country mixed with rock and folk that emphasizes soulful vocals featuring strong melodies and soaring harmonies. Bolstered by a kick-ass rhythm section and spiced with killer lead guitar, The Buzzards draw on influences ranging from Roy Orbison and Johnny Cash to Gram Parsons and the Byrds, from Hank Williams and Bob Dylan to Lucinda Williams and Ryan Adams. The music evokes a broad landscape of the American experience that includes high hopes, broken dreams, tender love and bitter loss. On their debut CD, produced by and showcasing legendary guitar wizard Will Ray, The Buzzards present vivid portraits and authentic tales in a collection of songs that captures the essence of their earnest yet seasoned outlook. A contemporary band with a sense of history, The Buzzards play the kind of music that becomes a part of your life, because it comes from the heart and speaks the truth.
