A fresh young Donegal fiddler...with a feminine touch. A contemporary set of newly composed and traditional Irish tunes with guest musicians such as Manus Lunny, Donald Shaw, Micheal Mc Goldrick and more. 11 MP3 Songs FOLK: Traditional Folk, WORLD: Celtic Details: Theresa Kavanagh hails from the North West of Donegal, a region very much associated with fiddling. From a young age her passion was music and culture. Having studied a HND in Professional Traditional Irish Music Performance at Foinn Chonnallacha, Theresa went on to complete a Bachelor of Music at the University of Ulster, Magee, graduating with a First Class Honours Degree. Theresa will return this year to study a Masters in music taking performance as her major. She is a talented composer/performer, and I'm sure you will hear a lot more from her in the future. I know you will enjoy experiencing the fresh sound of her debut album as much as I have.
