The first track and soon to be Southern Soul classic, Im Hooked in upbeat in the traditional Vick Allen R&B mode and sure to get the chitlin circuit clubs bumping and thumping. If They Can Beat Me Rocking is track two and is a very melodic fast groove with a poignant message for sure in irresistible hook. I Need Some Attention is perhaps the most t mainstream track and sure to gain Vick more R&B fans and perhaps many more overseas in Europe. This track is a very emotional cry and outstanding R&B track. The first single Forbidden Love Affair (The Preacher Song) is a musical story that will stand the test of time. Forbidden is very melodic and hooky with great vocals and music. The subject matter is one familiar with church goers but has never been put to music quite like Allen as done. Look for
