Enter a world most outsiders never see: carnival sideshow! In its secret world, with its own language and set of rules, meet Tony. Not yet 15 years old, he travels the country as part of the carnival sideshow owned by his father, Charlie. Dubbed 'The Clown Prince of the Sideshow' by the other carnies, and with cheering crowds, endless adventure, and thrills at every turn, Tony's life may seem like a dream. But the fun and laughter stops backstage. Once the lights are off, the show is closed, and the townies have gone home, the reality of life on the road has its sinister side. Tony pops, Charlie drinks heavily, a stranger with a past turns up, and then the accidents start happening. See You On The Backlot is an engaging, fast-moving, character-focused narrative. Sometimes funny, sometimes sad, always entertaining, it is packed with drama and emotion from one page to the next. See You On The Backlot is part of the Cutting Edge series: fast-paced, quick reads for teens and young adults looking for fiction which chimes with their perspective on life.
