What You Wouldve Spend \$500.00 And 5 1/2 Weeks Of Work, You Can Now Acquire Within Minutes And Jump Start Your Way To Obscenely-HIGH Profits! How would you like to create your own hot-selling Information Product without having to write from scratch (or a single word)? Do you love the idea of advertising your business through viral-spreading article marketing - even if you hate writing? How about profiting big time from PPC programs such as Adsense by building content rich web sites and blogs without cluttering your keyboard away? Its something you cant ask for more! Im not a mind reader by profession, but I hazard a few guesses that: \* You fancy the idea of making money online via selling information, \* Youre a very busy person and dont have time creating your own content, and \* You cannot afford to outsource your writing work to ghostwriters because youre on a tight budget! Whether youre a hardcore niche marketer or making a living from helping other peoples Internet Businesses, creating your own information and content can be time- and effort-consuming in the long run it can be counter-productive instead. Your efforts should be concentrated

on marketing your business, you think. And guess what? You are right about it. Maybe you make money selling information (i.e. E-books or publishing newsletters). Maybe you cash in on AdSense and PPC programs via building content rich web sites and blogs. And perhaps you're more than convinced on the powers of viral marketing with the use of articles. Sure, you can outsource for ghostwriters to write your contents for you, but how much can you afford? But what if I introduce to you an even more affordable solution? Announcing The Big Article Pack. With your needs in mind, I've put together 4 totally different, high quality article packages - each consisting of 25 articles - that you can use and own FULL Private Label Rights & Master Rights to them! As each article has an average of 250-400 words, You will receive 25 High Quality Private Label Articles in Word and Text format and Private Label Rights & Master Rights license complete with easy-to-follow instructions! Thats 100 articles in total! If you engage ghostwriters to write the same amount (and quality) of articles for say, \$5.00 each, that would be \$500.00 out of your pocket, which I dont think youre willing to let go. But with at least \$500.00 saved and TONS of value added into this package, this is one of the best Private Label article packages you can steal than ask to bargain for in the Internet marketplace. But thats not all. SUPER BONUS: Get A Killer Sales Letter FREE! Since you can also resell these article packages separately or altogether, you can use my principal sales letter to help you sell the Private Label articles! Thats another \$500.00 value youre getting, since copywriters wouldve charged a minimum \$500.00 for writing a sales letter like this. Thats right. But since I want to make this readily and easily available to you, Im going to let you steal this package for the price of only \$1,000.00 \$97.00. You wont see it anywhere else (at least, before this page came up). I know theres no great sense of urgency in getting this complimentary offer, but think about it: You could be cashing in on 4 totally different hungry niches by selling your own Information Products, publishing your own newsletters, and building content rich sites. If each niche brings you \$1,000.00 a month, that would be \$4,000.00 or more a month in total! You save at least 5 and a half weeks in writing your own content - assuming youre a good writer, that is. If you dont have a flair for writing, it would probably take forever. And this isnt taking into account the knowledge you might or might not have in all 4 niches. Youre getting \$500.00 worth of articles for the price of only \$0.75. ORDER NOW! Its yours for Only \$0.75! This Product Comes With Master and Private Label Rights Check Out Our Tradebit Store For More Hot Value Deals!!!
