

The Religion War - Raymond Adams, Scott

The Religion War is written by Scott Adams, better known as the creator of Dilbert. It's the much-anticipated sequel to his stunning non-Dilbert book God's Debris. Set in the not-too-distant future, the world is on the brink of a final war between Muslim and Christian forces. Only one person can stop the horror. He's ancient and harmless-looking but he's also the most aware person in existence. His job is to remove the delusions and superstitions that have brought civilization to the brink of destruction. The story is a fascinating work of fast-paced fiction but the questions raised in the book will stay with you and spark many late night conversations with friends.
