

Augur Of Armageddon - L. J. Blount

"The admonitions were all around; theologians beseeched humanity to bring themselves to God, the Scriptures enlightened us of the Second Coming, oracles and seers foretold of the inevitable. The end, indeed. Armageddon or the Apocalypse as some would call it. Revelations had descended from Heaven with a vengeance. Humanity stood in dismay as God showered the world with tribulation. We've all read the tales of the Apocalypse, but Augur provides a twist that will take one woman and you into the belly of hell only to rise again in preparations for the next 1,000 years."
