Being shot is bad enough, but waking up in eighteenth-century London is even worse. Samantha must follow the clues in her magic locket to find out why she's here and how to get home, and a tempting offer of shelter is too good to be true when she learns her patroness is actually a procuress. Even more startling than her overpowering attraction to her first client is the fact that submitting to her desires may lead to the answers she needs. The beautiful redhead is a distraction that naval officer Ryder cannot afford. His father is dying and his fugitive brother has bankrupted the family business. But he cannot deny himself, and Samantha turns out to be just what he needed-both in bed and out-yet the more passion they share, the more embroiled she becomes in his dangerous dealings, including the dark secret between Ryder and the obsessed revenue officer who wants to see him hang.
